

The Jane Coffin Childs Memorial Fund for Medical Research

333 Cedar Street · New Haven 11 · Connecticut

May 24, 1960

Professor Joshua Lederberg
Department of Genetics
Stanford University
Medical Center
Palo Alto, California

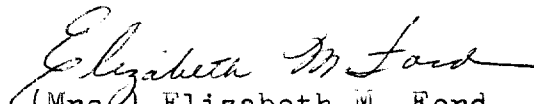

Dear Professor Lederberg:

I wish to acknowledge receipt of your letter of May 10th and thank you for sending us twenty-five copies of the following publication:

Lederberg, J.
A view of genetics.
Stanford Med. Bull., 1959, 17, 120-132.

I am sure this will be of interest to the Board of Scientific Advisers of the Fund.

Sincerely yours,

(Mrs.) Elizabeth M. Ford
Administrative Secretary
